### Editor's Note on how Outdoor Media Association figures are calculated:

The Outdoor Media Association (OMA) represents the majority of Australia's Out-of-Home (OOH) industry. Figures provided in this media release are net figures (exclusive of commission, production and installation). Figures represent occupancy invoiced in each calendar month. Figures also include all direct sales which are estimated at 10% of total bookings.

Figures may be adjusted between reporting periods to reflect current membership and ensure accuracy in comparing year on year changes. OMA figures are an accurate reflection of the income the OOH industry is generating through its inventory each month.

### About the OMA

The OMA is the peak industry body which represents most of Australia's Outdoor Media Display companies and production facilities, and some Media Display asset owners. The OMA operates

nationally and prior to July 2005 traded as the Outdoor Advertising Association of Australia (OAAA). It was first incorporated in 1939.

The OMA's charter is to serve its members by promoting the OOH industry and developing constructive relations with its primary stakeholders. Its core functions are Marketing and Research (including audience measurement), Government Relations and Regulatory Affairs, Media Relations, and Member Services.

The OMA is governed by a Board of Directors which is elected by the membership. Members of the OMA adhere to a Code of Ethics and abide by the regulatory frameworks in which they operate.
